We have represented to the Forest Dept. for grant of 5 acres of land out of F.S.No.7 of Banhatti for establishing a Chemical Factory, for the construction of godowns etc.

The case has been recommended from all corners right from the R.F.O to C.CF for eventual grant of the land in our favour. But to our surprise we noticed from the above G.O. that the Govt. While issuing the orders did not mention about the name of the party to whom the land is to be granted but simply ordered for its surrender to R.D. for disposal as per land grant rules.

Secretary to examine and put up the connected papers today

Since all the records have been built up in our favour as your goodself can see from the case papers that we are bound to get this land as we being the first petitioners for the said land.
